NICEIC

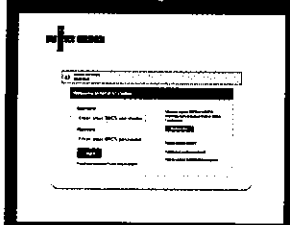
A revolutionary way to certify & notify your work

Now for the first time ever, you can certify and notify all your work online using NICEIC's new Online Certification system.

Create, store and administer certificates in a simpler, quicker and more streamlined way, saving your business time and money.

5 simple steps to get started

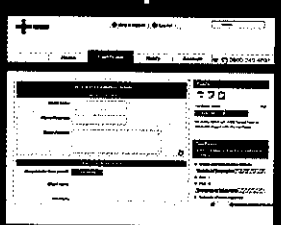
Step 1



Log in

Use your current username and password for building control notifications.

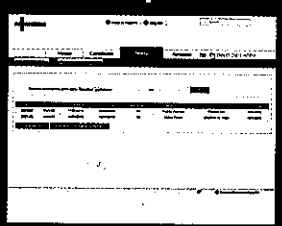
Step 2



Complete your certificate

Full range of certificates will be available. **Only £1 per certificate.**

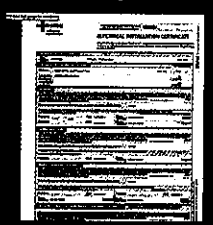
Step 3



Notify Building Control

System fully integrated with Building Control.

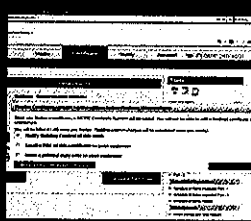
Step 4



Save it

Certificates automatically saved and securely stored online.

Step 5



Send it to your client

Email or post certificate to your client for free. Also a professional print and post service is available.

The only official NICEIC online certification service

Get started now, log onto www.niceiconline.com with your current username and password for building control notifications. Forgotten your login details? Call:
